UV Gel nail extensions

UV Gel nail extension** (tip extension)	\$55
UV Gel Refill*	\$40
Gel removal	\$20
Single nail repair (cost per nail)	\$5 ea

*Overlays: An overlay is when you apply the gel product on your natural nails to make them stronger, which allows them to grow longer.

**Nail Extensions: A nail extension is when you extend the length of your nails, by applying a plastic tip (white or natural colour) and then the gel product (UV gel) over the entire nail.
