

DRY & DEHYDRATED SKIN TYPES

LIMU FACIAL CLEANSER

Two natural ingredients of marine algae, and the inner gel of aloe vera, create a gentle but effective cleanser with no oils or harsh ingredients. Can be used as a shaving gel leaving the skin properly balanced. Essential Oil scented.

CHAMOMILE CLEANSING LOTION

This gentle lotion cleanser was designed to cleanse skin thoroughly and remove make up. Chamomile Oil and Vitamins A and E provide necessary healing moisture to prevent dry, red irritations. Essential oil scented.

GENTLE EYE MAKE UP REMOVER

Quickly dissolves eye make up with no irritation. Formulated and designed to be similar to tears to prevent stinging or drying to the delicate tissue around the eye area. Sulfate free, fragrance free.

GINSENG MINERAL TONER

This multi-functional hydrating toner provides natural proteins to help maintain elasticity, bio-extracts effective in hydrating, and minerals that possess stimulating and toning abilities that help in the skin's natural repair process. Essential Oil scented.

RESTORATIVE MARINE MOISTURIZER

Clinically tested to improve fine lines and increase hydration levels
This formula uses an extract produced by bio-fermentation of a selected strain of red marine algae abundant along the shores of the Hawaiian Islands. Clinical studies have shown a substantial increase in collagen stimulation and a 20% increase in firmness within four weeks. Skin moisture and hydration increase 70% within four weeks. Vitamins A, C and E are added to act as anti-oxidants to fight free radicals that cause damage to the skin. Essential Oil scented.

EYE & THROAT BIO-MOIST

Provides a moisture treatment for the signs of aging that appear around the eye, throat and décolleté areas. Anti-oxidants of Vitamins A and E are added to protect the skin from the damaging effects of free radicals and to help improve elasticity. Essential Oil scented.

HONEY ALMOND SCRUB

Honey, an organic Lactic Acid, has many functions in this exfoliating creme. Honey is valued as a humectant because of its sugar content which provides soothing properties. Somewhat acidic, it has mild antiseptic properties, which make it beneficial in the treatment of problem skin. Non-abrasive.

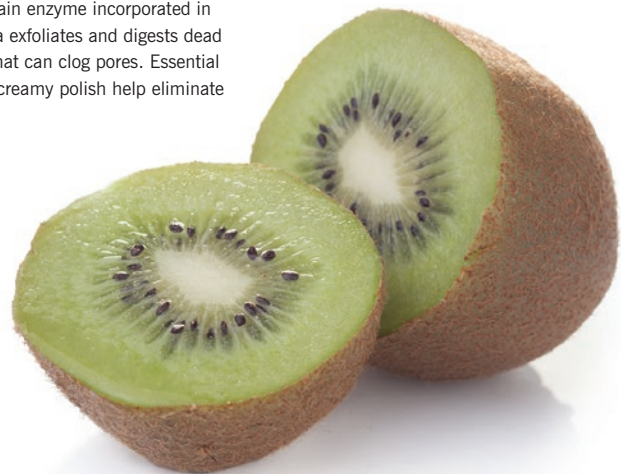

SOFT PAPAYA & PUMPKIN MASQUE

This unique masque incorporates a special active Papaya Enzyme in a creme base to soothe the surface of the skin. Bees Wax and Avocado Oil moisturize, hydrate and soften dry parched skin. Tapioca Starch and Kaolin tighten the surface of the skin to clarify and condition. Japanese Green Tea acts as an anti-oxidant to reduce redness and irritation.

bacteria and refresh the senses. The cleansing ingredients are extremely mild and used mainly in baby products. Sugar in this formula has an exfoliating function. Lactic Acid is also added to this formula. Sodium Cocoyl Glutamate (often called "Baby surfactant") is an amino acid based surfactant. It does not dry out the skin and leaves the skin feeling moisturized. Extremely hypoallergenic and mild cleansing.

ALOE & AZULENE GEL MASQUE

Aloe & Azulene provide a soothing treatment after Laser Treatments, Microdermabrasions, professional peels such as Glycolic Acid, waxing, and extractions. Very soothing for irritated and dehydrated skin caused by sunburn or chemical peels. Cooling Essential Oil Lavender scent.

GOLDEN LAUREL SERIES

OXYGEN REVITALIZING CLEANSER

For all skin types
This invigorating and revitalizing cleanser awakens the skin with Ginseng Extract, Orchid Extract and Glycoproteins. These key ingredients help to stimulate the skin and promote oxygen-revitalizing effects, which is lost with aging. Japanese Green Tea is one of the most effective soothing ingredients and was selected to enhance this elegant formula.

VITAL HYDRANT TONER

For all skin types
A blend of vital extracts refresh, hydrate and stimulate sluggish skin. Ginseng Extract, Ginkgo Extract, Rosemary Extract and Glycoproteins promote oxygen revitalizing properties which are lost with aging. Aloe Barbadensis Gel, Chamomile Extract, Japanese Green Tea and Sea Kelp Extract soothe the skin, while Lavender Oil calms the senses.

GLYCOLIC MOISTURE CREME

For all skin types
A firming and reconditioning daily treatment containing Glycolic Acid, a naturally derived exfoliant that encourages the skin to shed its surface coating of dead cells. A blend of Sodium Hyaluronate and Hydrolyzed Glycosaminoglycans are added as lubricating moisturizers. A reduction of their concentration can lead to a deterioration of skin condition. Essential Oil scented.

HERBAL SILK MOISTURIZER

For all skin types
This highly effective formula was developed to meet the needs of dehydrated skin. Rosemary, Goldenseal, and Balm of Gilead Extracts are incorporated to revitalize and refresh sluggish skin. Silk Amino Acids are added for a sensationally smooth feel. This silky moisturizer leaves a light protective moisture barrier that helps smooth skin texture. Essential Oil scented.

HAIR CARE

NUTRA PEPTIDE SHAMPOO

Cleanses gently and effectively to add volume and bounce to your hair.

NUTRA PEPTIDE CONDITIONER

Conditions your hair to its natural bounce and shine.

NUTRA PEPTIDE SENSORY SERUM

Revitalizes and enhances natural growth at the follicle.

BENEFITS OF THIS THREE STEP NUTRA PEPTIDE HAIR CARE:

Sea Buckthorn Seed Oil contains a balanced combination of linoleic and Alpha-Linolenic Acids backed with plenty of tocopherol. These essential fatty acids smooth hair surface, prevent protein loss and damage of the hair body, and enhance microcirculation of the scalp, improving epidermal regeneration. Alpha-Linolenic Acid is an essential nutrient for

healthy shiny hair.Superoxide Dismutase & Foeniculum Vulgare (Fennel) Seed Extract & Visnaga Vera Extract – Hair follicles have very high rates of metabolic activity. However, studies of aged follicles often find inadequate capillary circulation directly to the follicle suggesting that the resultant lack of nutrient flow may be a contributory factor in the thinning of hair with age. These two combined ingredients enhance microcirculation in the scalp, but in the same complex, deliver protective nutrients to the only actively growing, living portion of hair, the follicle.

Hexapeptide-11 A bio-fermented peptide that has been shown to up regulate key genes responsible for collagen production and important extracellular matrix components such as hyaluronic acid. Studies indicate that this peptide is capable of influencing the principal biochemical pathways

responsible for converting young velus hair into mature terminal hair.

Swertia Japonica Extract – A traditional Japanese hair care ingredient for "alopecia areata" for (hair loss condition).

Fruit extracts isolated from Sugar Cane, Lemon and Apple offer natural exfoliating action helping to clear the follicles of excessive build up of dead cells, allowing more room for thicker hair growth.

CLARIFYING CAMPHOR MASQUE

This clarifying masque incorporates Camphor and Sulfur to calm and heal skin of toxins and debris. When used regularly, it helps remove excess oils, prevents occlusion of pores, and manages and controls oily blemishes. Leaves brighter, fresher-looking complexion. Naturally scented.

AHA/BHA EXFOLIATING CLEANSER (WITH JOJOBA BEADS)

A deep pore foaming cleanser, which includes Alpha and Beta Hydroxy Acids of Glycolic, Lactic and Salicylic. These natural acids loosen the bond of dead skin cells to accelerate the natural skin renewal process. Natural Jojoba Beads gently exfoliate the skin to prevent occlusion of pores. Essential Oil scented.

SAGE & CITRUS MOISTURIZER

A lightweight oil free creme has specially selected ingredients to help condition and tone the skin. Sage, Watercress and Lemon Bioflavonoids help to purify and revitalize oily/combination skin conditions. Anti-oxidants of Vitamins A, C and E are also incorporated in this formula to protect and improve the skin's elasticity. Essential Oil scented.

CAMPHOR TREATMENT

Clear liquid for blemishes

This clear liquid treatment helps purge skin of toxins and blemishes, absorbs excessive oiliness and provides antiseptic benefits to irritated, reddened skin.
